EDUCATION

2001 – 2002		Forensic Psychology Postdoctoral Fellowship Criminal forensic psychology postdoctoral fellowship through the University of Washington School of Medicine and The Washington Institute for Mental Illness Research and Training.
2000 – 2001		Forensic Psychology Pre-doctoral Internship Internship in forensic psychology through Western State Hospital's Center for Forensic Services (Tacoma, WA)
2001	Ph.D.	Counseling Psychology Texas Tech University Dissertation: <u>Analysis of the Personality Assessment Inventory Among Male Mentally Ill Prison Inmates.</u>
1997	M.S.	Clinical Psychology Abilene Christian University Masters Thesis: <u>Analysis of the Buss-Perry Aggression Questionnaire for the Assessment of Aggression Among Mentally Ill Prison Inmates.</u>
1995	B.S.	Psychology Wayland Baptist University

FORENSIC AND CLINICAL EXPERIENCE

10/05 – present	Private Practice in Forensic Psychology (Texas) Sex offender evaluations; Violence risk assessments; Competence to stand trial; Insanity and various criminal responsibility evaluations; Sentencing and mitigation evaluations; Trial and case consultation; Expert testimony.
08/05 – 08/10	San Angelo State Supported Living Center (San Angelo, TX) Forensic and Consulting Psychologist position. Conducted sex offender risk assessments, violence risk assessments, and court-ordered forensic psychological evaluations on juvenile and adult alleged offenders. Clinical oversight of the sex offender treatment program and the competency restoration treatment program. Consultant to the psychology department. Trainings and workshops provided to clinical staff. Expert testimony provided.

- 10/03 – 07/05 **Private Practice in Forensic Psychology (Washington State)**
Sex offender evaluations; Violence risk assessments; Competency to stand trial; Insanity and various criminal responsibility evaluations; Sentencing and mitigation evaluations; Trial and case consultation; Expert testimony.
- 09/04 – 07/05 **Center for Forensic Services – Western State Hospital (Tacoma, WA)**
Court-ordered criminal responsibility forensic psychological evaluations on inpatient adult alleged offenders. Evaluations for mental state at the time of offense (insanity; diminished capacity), competency to stand trial, risk of dangerousness, and other forensic referral questions. Conducted some civil commitment evaluations. Expert testimony provided. Supervision of psychology interns. Training and consultation.
- 05/04 – 09/04 **Center for Adult Services - Western State Hospital (Tacoma, WA)**
Member of a multidisciplinary treatment team on an adult inpatient psychiatric ward. Responsible for conducting the civil commitment evaluations, filing the court petitions, and providing the expert testimony for this population in regard to involuntary civil commitment at the hospital. Provided group psychotherapy, constructed treatment plans, and conducted ongoing clinical evaluation for this population. Represented the ward in regard to determining appropriate direct admissions and patient transfers within the hospital.
- 09/02 – 04/04 **Special Commitment Center (Steilacoom, WA)**
Court-ordered forensic psychological evaluations on sexually violent predators. Evaluations for whether criteria met as a sexually violent predator and for whether conditional release to the community is recommended (versus total confinement). Extensive training in actuarial risk assessment instruments. Expert testimony provided. Training and consultation offered. Chaired weekly forensic psychology team meetings.
- 07/02 – 10/02 Involved with capital punishment case and trial in Tacoma, WA, through forensic psychological services provided through the Pierce County Jail.
- 09/01 – 08/02 **Postdoctoral fellowship in criminal forensic psychology through the University of Washington School of Medicine and The Washington Institute for Mental Illness Research and Training (Tacoma, WA)**
Primary Rotation: Court-ordered criminal responsibility forensic psychological evaluations on inpatient (Western State Hospital; Tacoma, WA) and outpatient (county jails) adult alleged offenders. Evaluations for mental state at the time of offense (insanity; diminished capacity), competency to stand trial, risk of dangerousness, and other forensic referral questions. Expert testimony provided.

Secondary Rotations: Sexually violent predator evaluations (civil commitment); Parenting plan evaluations; In-house evaluations of inmates incarcerated in a county jail – expert testimony provided.

Other Responsibilities: Individual psychotherapy to patients determined to be Not Guilty by Reason of Insanity at Western State Hospital; Training and consultation. Supervision of psychology interns.

- 09/00 – 08/01 **Pre-doctoral internship in clinical psychology at Western State Hospital (Tacoma, WA) - forensic psychology emphasis**
 Rotation 1: Court-ordered criminal responsibility forensic psychological evaluations on inpatient adult alleged offenders. Evaluations for mental state at the time of offense (insanity; diminished capacity), competency to stand trial, risk of dangerousness, and other forensic referral questions.

 Rotation 2: Court-ordered criminal responsibility forensic psychological evaluations on juvenile alleged offenders (Child Study and Treatment Center – Tacoma, WA). Evaluations for mental state at the time of offense (insanity; diminished capacity), competency to stand trial, risk of dangerousness, and other forensic referral questions.

 Rotation 3: Civil commitment evaluations on an adult inpatient psychiatric admissions ward. Provided individual psychotherapy for this population.
- 08/99 – 07/00 **Lubbock County Juvenile Justice Center (Lubbock, TX)**
 Court-ordered forensic psychological evaluations on juvenile offenders. Evaluations to determine risk of dangerousness and appropriate placement within the juvenile facility. Emergency risk assessments conducted as needed. Provided group and individual psychotherapy to juvenile offenders.
- 01/98 – 08/98 **John T. Montford Psychiatric Prison Unit (Lubbock, TX)**
 Forensic psychological evaluations on incarcerated adult offenders. Evaluations to determine risk of dangerousness and appropriate placement within the prison facility. Emergency risk assessments conducted as needed.
- 06/97 – 08/97 **Lubbock Regional Mental Health and Mental Retardation (Lubbock, TX)**
 Provided individual psychotherapy, group psychotherapy, and mental health education to adults diagnosed with major mental illness.
- 08/99 – 12/99 **Texas Tech University Counseling Center**
 Conducted intake evaluations and provided individual psychotherapy to university students.
- 06/98 – 08/99 **Texas Tech University Psychology Clinic**
 Conducted intake evaluations and provided individual psychotherapy to adults in a community-based outpatient clinic.
- 01/97 – 05/97 **Abilene High School (Abilene, TX)**
 Provided individual psychotherapy to high school students.
- 01/97 – 05/97 **Abilene Christian University Women's Softball**
 Sport psychology. Provided group and individual therapy to athletes on a collegiate women's softball team.
- 08/96 – 12/96 **Abilene Christian University Counseling Center**
 Provided individual psychotherapy to university students.

01/96 – 05/96

Woods Psychiatric Hospital (Abilene, TX)

Provided individual and group psychotherapy to inpatient and outpatient adults.
Provided group psychotherapy to outpatient male children diagnosed with ADHD.

FORENSIC PROFESSIONAL TRAININGS CONDUCTED

Dunham, J. (2024). Understanding Evidence in Forensic Psychology Cases. Presentation to Midland College pre-law evidence class.

Dunham, J. (2022). A Career in Forensic Psychology. Presentation to Abilene Christian University graduate psychology program.

Dunham, J. (2021). Professional Issues within Forensic Psychology. Presentation to Abilene Christian University graduate psychology program.

Dunham, J. (2019). Malingering and Deception in Forensic Evaluations. Presentation at the Southwest Psychological Association annual conference in Albuquerque, NM.

Dunham, J. (2017). Profile of Sexual Offenders. Presentation to law enforcement, CPS, and probation officers at Shannon Medical Center in San Angelo, TX.

Dunham, J. (2016). Mental Health Evaluations in Child Sex Cases. CLE presentation at the Federal Public Defender Annual State Conference and Seminar in San Antonio, TX on the methodology of conducting risk assessments for child pornography and online solicitation of minors.

Dunham, J. (2016). Evaluating Competency: Practical Considerations. CLE presentation at the El Paso County Courthouse in El Paso, TX on practical considerations when evaluating for competence to stand trial.

Dunham, J. (2015). Risk Assessment of Child Pornography Offenders. CLE presentation at the El Paso County Courthouse in El Paso, TX on the methodology of conducting child pornography risk assessments.

Dunham, J. (2015). Risk Assessment of Sexual Offenders. CLE presentation at the El Paso County Courthouse in El Paso, TX on how to conduct sex offender risk assessments.

Dunham, J. (2015). Child Pornography Risk Assessment. CLE presentation to the Federal Bar Association in El Paso, TX on how to conduct child pornography risk assessments.

Dunham, J. (2015). Criminal Forensic Evaluation. Presentation to the Angelo State University Criminal Justice Department on how forensic psychological evaluations are conducted.

Dunham, J. (2012). Sexual Predators of Children: Classifications, Characteristics, and Future Risk. Presentation at the Southwest Crimes Against Children Annual Conference. (El Paso, TX).

Dunham, J. (2012). Forensic Psychology. Presentation to the Hardin-Simmons University Psychology Department on the field of forensic psychology. (Abilene, TX).

Dunham, J. (2012). Profiling the Sexual Offender. Semi-annual presentations since 2006 to Concho Valley Rape Crisis Center (San Angelo, TX) staff on the characteristics of sexual offenders and risk assessments of sexual predators.

Dunham, J. (2011). Ethical and Professional Conduct. Monthly presentations since 2005 to new employees at San Angelo State School on the importance of maintaining ethical and professional conduct at the workplace.

Dunham, J. and Turner, D. (2010). Risk Assessment of Sexual Offenders: Practical Considerations. Presentation at the Texas Criminal Defense Lawyer's Association Annual Forensics Seminar. (Dallas, TX).

Dunham, J. (2010). A Career in Forensic Psychology. Annual presentations since 2007 to the Angelo State University Psychology Department on the field of forensic psychology and the advantages and disadvantages of being a forensic psychologist.

Dunham, J. (2009). Sexual Violence. Presentation to law enforcement, the district attorney's office, child protective services, and professional counselors as part of a training program for the Tom Green County Coalition Against Violence. (San Angelo, TX).

Dunham, J. (2009). Sexual Predators of Adults and Children: Characteristics and Evaluation. Presentation to local attorneys, law enforcement, and university faculty and students as part of the Conference on Sexual Violence at Angelo State University.

Dunham, J. (2008). Evaluating Sex Offender Treatment Progress: Dynamic Risk Factors. Two-day presentation to San Angelo State School sex offender treatment instructors on how to assess treatment progress through dynamic risk factors.

Dunham, J., MacNoll, G., and Waller, A. (2008). Careers in Forensic Science: Panel Discussion with an FBI Agent, a Crime Lab Director, and a Forensic Psychologist. Presentation and panel discussion for Abilene Christian University faculty and students on forensic science careers and issues specific to particular forensic fields.

Dunham, J., Dennis, M., and Potter, R. (2007). Sex Offender Treatment and Evaluation. Presentation to San Angelo State School professional staff on the components of sex offender treatment and how to assess one's treatment progress.

Dunham, J. (2007). Characteristics of the Sexual Offender. Presentation to San Angelo State School professional staff on the characteristics, cycles, and recidivism of sexual offenders.

Dunham, J. (2006). Actuarial Risk Assessment as a Scientific Approach to Handling Sexual Assault Cases. Presentation at the Texas Criminal Defense Lawyer's Association Annual Forensics Seminar. (Dallas, TX).

Dunham, J. (2006). Detecting Malingered Psychosis. Presentation to San Angelo State School professional staff on the differences between true psychosis and malingered psychosis and tips on how to determine whether a patient is malingering psychosis.

Dunham, J. (2006). Methamphetamine-Induced Psychotic Disorder. Presentation to San Angelo State School professional staff on the prevalence of methamphetamine use across the country, the physiological effects it has on the brain, how it can produce psychotic symptoms, and how to differentiate methamphetamine-induced psychosis from schizophrenia.

Dunham, J. (2005). Recognizing Psychotic Disorders (and the Clinical and Legal Implications of Misdiagnosis). Presentation to San Angelo State School professional staff on how to identify true psychotic disorders and the various implications of misidentifying these disorders.

Dunham, J. (2005). The Forensic Evaluation. Presentation to San Angelo State School professional staff on forensic psychological evaluations, including how to approach and conduct forensic evaluations, the various types of forensic evaluations, and the enhanced level of scrutiny inherent in such evaluations.

Dunham, J. (2005). Diagnosing and Misdiagnosing Borderline Personality Disorder in Community, Psychiatric, Forensic, and State School Settings. Presentation to the San Angelo State School Psychology Department on identifying and diagnosing borderline personality disorder in various settings as well as the implications of misdiagnosing this disorder.

Dunham, J. (2005). Competency and Criminal Responsibility Evaluations. Presentation to Western State Hospital forensic services staff on issues regarding court-ordered forensic psychological evaluations.

Dunham, J. (2004). Mental Abnormalities, Personality Disorders, and other Diagnostic Issues Related to Sexually Violent Predator Evaluations. Training for Washington State prosecuting attorneys regarding the forensic evaluation of sexually violent predators.

Dunham, J. (2004). Course of the Sexually Violent Predator (SVP). Presentation to Special Commitment Center and Western State Hospital psychologists and therapists on how to prepare for depositions and court testimony at different intervals of the SVP's case.

Dunham, J. (2003). Detection of Criminal Malingering. Presentation to Western State Hospital psychologists and interns and other local psychologists on how to detect criminal malingering.

Dunham, J. (2002). Mental Health Testimony and Issues. Training series for Seattle University Law School students regarding how to work with mental health professionals, salient issues in mental health court cases, and how to depose and examine mental health experts. Training consisted of mock depositions and trials, in which I served as both consultant and testifying expert.

Dunham, J. (2001). Using the Personality Assessment Inventory (PAI) in Clinical Settings. Presentation to the Western State Hospital psychology department on the utility of the PAI in psychiatric settings.

Dunham, J. (2001). Personality Assessment Inventory (PAI). Presentation to forensic psychologists from The Washington Institute for Mental Illness Research and Training and from Western State Hospital on the development of the PAI and its utility in forensic settings.

Dunham, J. (2001). Utility of the Personality Assessment Inventory (PAI) Among Psychiatric Prison Inmates. Presentation to forensic psychologists from The Washington Institute for Mental Illness Research and Training and from Western State Hospital on recent research involving the PAI and its utility as an assessment tool among mentally ill prison inmates.

Dunham, J. (2000). Methamphetamine Facts and Implications for Psychologists. Presentation to forensic psychologists at Western State Hospital regarding the latest information on methamphetamine abuse and how it affects the field of forensic psychology.

RESEARCH EXPERIENCE

- 2001 Doctoral Dissertation: Analysis of the Personality Assessment Inventory Among Male Mentally Ill Prison Inmates. A confirmatory factor analysis of the Personality Assessment Inventory (PAI) using data acquired from a sample of mentally ill prison inmates at the John T. Montford Psychiatric Prison Unit (Lubbock, TX).
- 1997 Masters Thesis: Analysis of the Buss-Perry Aggression Questionnaire for the Assessment of Aggression Among Mentally Ill Prison Inmates. An exploratory factor analysis of the Buss-Perry Aggression Questionnaire (BPAQ) using data acquired from a sample of mentally ill prison inmates at the John T. Montford Psychiatric Prison Unit (Lubbock, TX).
- 2001-2002 Research project with Henry Richards, Ph.D. (The Washington Institute for Mental Illness Research and Training – Tacoma, WA), regarding female prison inmates' tendencies for handling conflict situations and how they relate to past violent behavior.
- 1996 Dunham, J., Wang, E., & McKelvain, R. (1996). Assessment of Anger and Aggression in Mentally Ill Prison Inmates. Paper presented as part of a symposium on "Assessment and Intervention with Prison Inmates" at the Southwestern Psychological Association Annual Conference in Fort Worth, TX.
- 1996 Jackson, C., Reyes, E., Dunham, J., & McKelvain, R. (1996). Development of an Instrument to Assess Conflict Resolution Strategies. Poster session presented at the Southwestern Psychological Association Annual Conference in Fort Worth, TX.

TEACHING EXPERIENCE

- 1997-1999 **Introduction to Psychology (Texas Tech University)**
Instructor for 6 undergraduate psychology courses.
- 1996 **Research Methods (Abilene Christian University)**
Teaching assistant for undergraduate research methods course.

RELEVANT FORENSIC PROFESSIONAL DEVELOPMENT

- 12/25 Evaluating Risk in Child Pornography Offenders. Four-hour course focusing on current research and literature regarding assessing risk in child pornography cases.
- 12/25 The Art and Science of Expert Witness Testimony. Four-hour course focusing on the research and literature regarding effective expert testimony in the courtroom.
- 12/22 Intimate Partner Violence. Nine-hour course focusing on understanding the elements associated with violence within intimate partner relationships.
- 12/22 Key Issues in Screening and Assessment of Co-Occurring Disorders in the Justice System. Four-hour course focusing on the overlap of psychiatric disorders among defendants involved in the legal system.

- 04/20 Substance-Induced Psychosis. Four-hour course focusing on the differences between organic psychosis and substance-induced psychosis.
- 04/19 Juvenile Sex Offenders: Opportunity for Early Intervention. Ten-hour course sponsored by the Healthcare Training Institute.
- 04/19 Deception: Research, Practice, and Theory. Symposium presentation at the Southwest Psychological Association annual conference in Albuquerque, NM.
- 04/17 Juvenile Sex Offenders. Ten-hour course sponsored by the Healthcare Training Institute.
- 07/16 Competency in a Nutshell. Four-hour training seminar in El Paso, TX regarding competence to stand trial evaluations. Training provided by attorneys, judges, and forensic psychologists/psychiatrists.
- 03/13 Evaluation of Sexually Violent Predators: Best practices in Forensic Mental Health Assessment. Five-hour course sponsored by Consolidated Continuing Education and Professional Training.
- 03/13 Evaluation of Competence to Stand Trial: Best practices in Forensic Mental Health Assessment. Five-hour course sponsored by Consolidated Continuing Education and Professional Training.
- 03/13 The Dynamic Prediction of Criminal Recidivism: A Three-Wave Prospective Study. One-hour course sponsored by Consolidated Continuing Education and Professional Training.
- 03/12 Law and Ethics for Psychologists. Four-hour course presented by Kathleen Gates, Ph.D.
- 01/12 Training in SRA-FV Need Assessment. Two-day workshop presented by David Thornton, Ph.D. (Dallas, TX).
- 03/11 Serial Murder: Multi-Disciplinary Perspectives for Investigators. Six-hour course presented by the Federal Bureau of Investigation as part of its symposium on serial murder.
- 03/11 Ethics and the Law for Psychologists: Using the DSM-IV-TR Legally and Ethically. Four-hour course presented by Pamela Harmell, Ph.D.
- 03/11 Intimate Partner Violence: Spousal and Partner Abuse. Two-hour course presented by Tess Meuer, Anne Seymour, and Harvey Wallace.
- 02/10 Risk Measure Field Validity Among Texas Sex Offenders. Half-day seminar presented by Marcus Boccaccini, Ph.D., as part of the Council on Sex Offender Treatment's conference on Adult Sex Offenders and Juveniles with Sexual Behavior Problems. (San Antonio, TX).

- 04/09 Sex Crimes through the Internet. Presentation by Lee Reed, Abilene Police Department, as part of the Conference on Sexual Violence at Angelo State University. (San Angelo, TX).
- 03/09 Juveniles who Offend Sexually: Informing Policy Conflicts through Research and Accurate Risk Assessment. Day-long seminar presented by Douglas Epperson, Ph.D., as part of the Council on Sex Offender Treatment's conference on Adult Sex Offenders and Juveniles with Sexual Behavior Problems. (Austin, TX).
- 03/09 Courtroom Testimony. Half-day seminar presented by Dr. Hank Roubick as part of the Council on Sex Offender Treatment's conference on Adult Sex Offenders and Juveniles with Sexual Behavior Problems. (Austin, TX).
- 03/09 Towards the Primary Prevention of Sexual Violence: Risk and Protective Factors. Two-hour presentation by Andra Teten, Ph.D., and Jennifer Matjasko, Ph.D., as part of the Council on Sex Offender Treatment's conference on Adult Sex Offenders and Juveniles with Sexual Behavior Problems. (Austin, TX).
- 02/08 Assessment and Treatment of Adult Male Sex Offenders. Day-long seminar presented by David Thornton, Ph.D., as part of the Council on Sex Offender Treatment's conference on Management of Adults and Juveniles with Sexual Behavior Problems. (Galveston, TX).
- 02/08 Beyond Static Risk: The Development of the Dynamic Risk Assessment. Two-hour presentation by Ezio Leite, M.Ed., Lawrin Dean, M.Ed., and Sean Braun, M.A., as part of the Council on Sex Offender Treatment's conference on Management of Adults and Juveniles with Sexual Behavior Problems. (Galveston, TX).
- 11/07 Restoration to Competency. Day-long workshop presented by Capacity for Justice. (Austin, TX).
- 10/07 Treating Compulsive Sexual Behaviors. Day-long seminar presented by Paul Simpson, Ed.D. (Midland, TX).
- 10/06 2006 Texas Forensic Mental Health Conference. Two-day conference at North Texas State Hospital focusing on the theme of Assessing and Managing Violence Risk. (Vernon, TX).
- 09/06 Texas Criminal Defense Lawyer's Association Annual Forensics Seminar. Two-day seminar presented by various experts in their relative fields of forensic science. (Dallas, TX).
- 09/05 Advanced Forensic Evaluation Training. Four-day workshop presented by Capacity for Justice. (Austin, TX).
- 05/05 What Policies Drive Criminal Sentences? Three-hour presentation by David Lovell, Ph.D., MSW. (Tacoma, WA).

- 04/05 PCP and Forensic Evaluations. One-hour presentation by Ainslee Heasman, M.A. (Tacoma, WA).
- 04/05 Management of the Violent Patient. Three-hour presentation by Bruce C. Gage, M.D. (Tacoma, WA).
- 03/05 Changes in Forensic Ethical Practice Guidelines: The New Specialty Guidelines for Forensic Psychology. Three-hour presentation by Stuart Greenberg, Ph.D. (Tacoma, WA).
- 12/04 Criminal Forensic Report Writing. Three-hour presentation by Carl Redick, Psy.D. (Tacoma, WA).
- 12/04 Forensic Court Testimony. Three-hour presentation by R. Murray Hart, Ph.D. (Tacoma, WA).
- 12/04 Forensic Clinical Judgment – Sharpening Expert Opinion. Three-hour presentation by Gregg J. Gagliardi, Ph.D. (Tacoma, WA).
- 03/04 Psychopathy and other Severe Personality Disorders. Two-day workshop presented by Special Commitment Center psychologists (Tacoma, WA).
- 02/04 Sexually Violent Predator Evaluations. One-day workshop presented by Special Commitment Center forensic psychologists (Seattle, WA).
- 02/04 Depositions and Testimony. One-day workshop presented by Special Commitment Center forensic psychologists (Tacoma, WA).
- 01/04 Addressing Perceived Unethical Practices. Four-hour workshop presented by William C. Proctor, Ph.D. (Tacoma, WA).
- 11/03 Psychopathy. One-day workshop presented by Henry Richards, Ph.D. (Tacoma, WA).
- 11/03 Neuropsychological Assessment with Criminal and Psychopathic Populations. Two-hour presentation by Michael Kiel, M.A. (Tacoma, WA).
- Spring 2003 Justice Institute of British Columbia (JIBC) Forensic Training Series: Sex Offender Awareness. Training series presented by the JIBC (Tacoma, WA).
- 01/03 PCL-R Training Series and Certification. Two-day workshop presented by Henry Richards, Ph.D. (Tacoma, WA). Received certification in the administration and scoring of the PCL-R.
- 12/02 Psychopathy: Theory and Research. One-day workshop presented by Robert Hare, Ph.D. (Tacoma, WA) on psychopathic personality disorder.
- 10/02 Physiological Arousal and Management of Sexual Offenders. One-day workshop presented by Steve Jensen (Tacoma, WA).
- 04/02 – 06/02; Correctional Forensic Psychology Seminar Series.

- 04/01 – 06/01 Three-hour weekly seminars presented by forensic psychologists, psychiatrists, and attorneys (Tacoma, WA).
- 03/02 American Psychology – Law Society Conference (Austin, TX).
- 01/02 – 03/02;
01/01 – 03/01 Civil Forensic Psychology Seminar Series.
Three-hour weekly seminars presented by forensic psychologists, psychiatrists, and attorneys (Tacoma, WA).
- 09/01 – 12/01;
09/00 – 12/00 Criminal Forensic Psychology Seminar Series.
Three-hour weekly seminars presented by forensic psychologists, psychiatrists, and attorneys (Tacoma, WA).
- 04/01 International Association of Forensic Mental Health Services Conference (Vancouver, BC).
- 10/99 Rorschach Inkblot Method. One-day workshop presented by John E. Exner, Jr. (Lubbock, TX) on the Rorschach, with emphasis on its use with forensic populations.
- 1997 Structured Interview for the Reporting of Malingered Symptoms (SIRS). One-day workshop presented by Eugene Wang, Ed.D. (Lubbock, TX).
- 10/96 Southwestern Psychological Association Annual Conference (Fort Worth, TX).
